

About video distribution

1 Start time 20/4/24

2 Delivery method You Tube

*Created a school channel. Since it is only open to the public,
Please view it from the URL set by email when viewing.

3 Contents of delivery, school message, life/study support,
etc.

*A video of about 5-10 minutes.

4 Request to parents

- Because it uses the internet, when using it, please go with the parent's approval.
- In order to avoid unspecified large numbers of viewers, it is set to be open to the public.

Please refrain from posting uploaded videos on other websites by unauthorized methods or posting URLs on SNS from the perspective of personal information protection and Copyright.
